MANIKANTA H

LinkedIn | manikantahkadbur733@gmail.com | +91 7338306332 | India, Karnataka Bengaluru

PROFESSIONAL SUMMARY

Java Developer with **2+ years** of experience in designing, developing, and optimizing scalable applications using **Java, Spring Boot, and cloud technologies**. Proven ability to lead migration projects, enhance performance, and maintain code quality. Adept at collaborating with cross-functional teams to deliver solutions aligned with business goals.

KEY SKILLS

- **Programming Languages:** Java (8+), JavaScript
- **Frameworks:** Spring Boot, ReactJS
- **Cloud Platforms:** Microsoft Azure, Azure SQL
- **DevOps Tools:** Kubernetes, Docker, CI/CD Pipelines
- **Web Technologies:** HTML5, CSS3, RESTful APIs
- **Testing:** JUnit 5, Mockito
- **Database:** MySQL
- **Others:** Advanced Algorithms, Agile Methodology

PROFESSIONAL EXPERIENCE

Java Developer
Cognizant Technology Solutions – Bengaluru | **11, 2022 – Present**

- Led the migration of legacy systems to **Java-based platforms**, improving execution speed by **30%** and reducing transaction time by **15 seconds**.
- Designed and optimized financial tools using **Java, Spring Boot, and MySQL**, achieving a **30% performance boost**.
- Built and integrated **RESTful APIs** for microservices communication, enhancing system interoperability.
- Improved production reliability using **JUnit, Mockito, Kubernetes, and Docker**.
- **Key Achievement:** Played a pivotal role in a **$10M financial transformation project** by implementing CI/CD pipelines.

Software Engineer Intern
Cognizant Technology Solutions – Bengaluru | **03, 2022 – 09, 2022**

- Contributed to the migration of mainframe databases to **Azure SQL**, ensuring scalability and reliability.
- Assisted in debugging, code reviews, and writing technical documentation.
- Collaborated with senior developers to align solutions with business requirements.

PROJECTS

Financial Tools Optimization

- Developed scalable financial tools using **Java, Spring Boot**, and **MySQL**.
- Improved performance by **30%** and reduced latency through query optimization.

Mainframe to Java Migration

- Led a project to migrate legacy applications to **Java**, reducing throughput time by **15 seconds**.
- Enhanced client satisfaction by aligning solutions with business requirements.

CERTIFICATIONS

- **Azure Fundamentals [AZ-900]** - Microsoft (May 2023)
- **Cybersecurity** - Palo Alto Network Cybersecurity Academy (June 2021)

EDUCATION

Bachelor of Engineering in Computer Science
Visvesvaraya Technological University, AMC Engineering College, Bengaluru
Aug 2018 – Jun 2022

KEY ACHIEVEMENTS

- Successfully migrated critical applications to **cloud platforms**, enhancing scalability.
- Reduced system latency through advanced **algorithmic optimizations**.

- Improved system reliability using **automated monitoring tools**.

ADDITIONAL SKILLS

- **Time Management:** Consistently completed projects **before deadlines**.
- **AI Integration:** Experience using **AI tools** to fix code smells and vulnerabilities.
- **Continuous Learning:** Up-to-date with industry trends and best practices.
